Feb. 2011 - M. Turner for WBA

- Main Line to Sidetrack
- Short Triangle
- Guthrie Heights
- Upper Valley (Main Line)
- Round House
- Meadow Loop

This is a generic course map showing all six available race legs at Stevens Pass. The actual course for each race will be posted at the range by the Race Director. All legs begin and end with the Meadow Loop which includes the range and Start/Finish area. The Upper Valley leg, if used, has a variable turnaround point which is set based on overall course distance.

Main Line to Sidetrack:
 From Main Line descend 1.5 km to first left onto connecting trail and then left onto Sidetrack. See area map above.

All elevation graphs include the Meadow Loop.
